

WHY SIM?

- ▶ **Focus on reaching the least reached**
SIM's mission is to make disciples in communities around the world where Christ is least known.
- ▶ **Dependent on God**
We are a people of prayer. We trust in our faithful God and affirm the truth of the Bible as we work to fulfil God's mission together.
- ▶ **Multi-cultural, multi-skilled teams serving together**
SIM's 4000 active workers are made up of more than 70 different countries. Benefit from the diverse denominational backgrounds of others as you serve together in love and unity in Christ.
- ▶ **Ministry choices & global opportunities**
We are committed to finding a way that your God-given skills and talents can be put to use in a Gospel context. There are openings for people from just about any background to serve around the world.
- ▶ **125+ years of mission experience**
SIM is a well-established global mission organisation with a long history of mobilising men and women to serve in the mission field.
- ▶ **Pastoral care & administrative support**
Our Australian home office supports our teams on the field and are behind our mission workers every step of the way. SIM offers support services to our mission workers to free them up to invest their energy and time into their ministries.
- ▶ **Financial stability**
SIM's experienced finance team works closely with our mission workers throughout the support-raising process and on the field to ensure their financial stability. Members receive benefits such as medical care, housing assistance etc.
- ▶ **Supportive of families**
SIM recognises that the family unit is ordained by God. SIM values all members of families that serve with us and encourages them to choose educational, housing and work placements that meet their particular needs.
